This is the second consecutive year Beauchamp has received this honor.

[Glassdoor](#), one of the world's largest job and recruiting sites, released its annual report recognizing the Top CEOs, which highlights top leaders employees love working for in countries throughout North America and parts of Europe.

Among chief executives recognized in the United States, Beauchamp currently has a 95 percent approval rating based on anonymous and voluntary reviews from Paylocity employees throughout the last year. In comparison, the average CEO rating among the 770,000 companies on Glassdoor is 69 percent.

When employees submit reviews about their company, they can rate various factors about their employment experience, including overall satisfaction and other workplace attributes, like senior management. "Winning a Glassdoor Top CEO award is a true acknowledgement of exceptional leadership, as it reflects the opinions of the employees who work with a chief executive every day. I congratulate all of this year's winners on this significant achievement," said Robert Hohman, Glassdoor co-founder and CEO. "It can be a real recruiting advantage to have a top-rated CEO at the helm of a company who has strong support from his or her employees. The best CEOs are inspiring, trustworthy, innovative and can be great motivators for people to bring their best selves to work."
