Paylocity Launches Web Benefits

Thursday, April 9, 2010 – Paylocity, America's leading independent provider of payroll and HR solutions announced its launch of Paylocity Web Benefits today. Web Benefits is a complete Benefit Administration solution including employee online enrollment, bill reconciliation, and carrier connectivity.

"Benefit Administration is one of the top priorities our clients have today, says Steve Beauchamp, President of Paylocity. Paylocity Web Benefits automates many of the manual processes involved in administering employee benefits and provides tools to manage eligibility and carrier billing saving our clients money. Paylocity is excited about adding this integrated solution to its existing SaaS platform for Payroll, HRIS, and Time and Labor."

"Adding an integrated Benefit Administration solution perfectly rounds out the Paylocity product portfolio for mid to large sized U.S. employers, says Michael Haske, VP of Sales and Marketing for Paylocity. Many of our clients have expressed their need for such a system and we are happy to deliver a world class solution alongside our other industry leading applications."
